

# Ideation Phase

## Defining the Problem Statement

Date	19 september 2022
Team Id	PNT2022TMID07350
Project Name	Smart Fashion Recommender
Maximum Marks	2 Marks

I am	user
I'm trying to	Access my location to get delivery
But	It couldn't tracking my location
Because	This website couldn't work properly on real time access function
Which makes me feel	Not worth of time and hard to use
